

## Jessieville-Winona-Fouche Seasonal and Special Vehicle Designations

This table lists seasonal routes displayed on the MVUM map. For continuity, some routes occur on Districts other than the Jessieville-Winona-Fouche Districts. Routes that allow highway legal vehicles as well as Wheeled OHV < 64" year-round are designated with the symbol on the MVUM map but will not be numbered in the list below because they are routes open year-round to both. Only routes with a seasonal allowance are in the listed routes below.

## Big Game Retrieval Table Including the Jessieville-Winona-Fouche District

Retrieval of big game (bear or deer) is allowed along some Ouachita National Forest Service roads October through December in compliance with state hunting regulations. Big game retrieval is allowed by OHV\* on one or both sides of the road as shown by dots along roads on the MVUM map. Please note that some roads allow big game retrieval along both sides of the road while on others, it is allowed only along one side. Where off- road travel for big game retrieval is allowed, it is only 1/2 mile from the centerline of the road measured perpendicular to the road and only on Forest Service lands.

The table below lists routes displayed on the face of the MVUM map. Some routes occur on Districts other than Jessieville-Winona-Fouche District.
