To Banish, Nolan <nolan_banish@fws.gov>

Upon review of the provided plans and other documentation for the Upper Cle Elum River Aquatic Restoration Project: RM 17.5 - 18.3, I find that the project meets USFWS fish passage criteria and is appropriate for the site. Please forward this approval as necessary for programmatic or individual biological opinion documentation.

USFWS appreciates the opportunity to review this project and to provide comments. If you have any questions or concerns, feel free to contact me at your convenience.

Sincerely,
Jared McKe
