**Subject:** Timber Mailing List Update

**To:** Interested Parties

Dear Purchaser:

You are receiving this letter as notification of important changes in our business procedures for all timber sales, special forest products, and integrated resource timber contracts.

Effective immediately, the Olympic National Forests will discontinue publishing contract advertisements in the local paper of record. Instead, we will publish contract advertisements on the Forest's official public facing website. All contracts will be advertised on Tuesdays with contracts being auctioned/bids due on Thursdays. All sample contract documents and bid packet information will continue to be posted on the Forest's webpage and the direct link for contract documents will be included in the bidder letter. Interested parties still have the option to pick up a bid packet at the Forest Headquarters Office.

The Olympic public website is: <https://www.fs.usda.gov/r06/olympic/timber-sales>

Please note, all integrated resource service contracts will continue to be posted to the sam.gov website. If you have any questions, contact me at (541) 705-5263.

Sincerely,
