Under the Regulatory Flexibility Act, a small entity is a firm that is "independently owned and operated" and "not dominant in its field of operation." The United States Small Business Administration has developed size standards to identify what is considered a small business. Under these standards, a business with annual receipts of less than \$6.5 million constitutes a small business for recreation industries. Additionally, a small organization is any nonprofit enterprise that is independently owned and operated and not dominant in its field. A small government jurisdiction is a government of a city, county, town, township, village, school district, or special district with a population of less than 50,000.

Under these criteria, are you a small entity? _____
