Include any days spent off NFS lands, for example if one day of your 5 day trip is on BLM lands, or private land, include that in the itinerary. This helps us to determine the number of service days to authorize.

3. ADVERTISING. Provide a current brochure and current advertising materials or website address. Two statements (non-discrimination and affiliation) are required in all types of advertising. Web-based materials must include the required non-discrimination statement in its entirety and the statement of affiliation (i.e. XYZ Guide Service operates under permit from the Carson National Forest). Contact the permit administrator for correct language. All advertising must be approved by the Forest Service.

4. CLIENT CHARGES. Attach a current rate sheet. **List expected gross revenue for the entire trip or for all authorized trips.** Client charges include the gross revenue, not just that portion of the trip on NFS lands. If Gross revenue is lower than the bracket maximum, then the flat fee is applied, no refunds. Gross revenue includes all client charges associated with the service, including transportation and lodging and the value of services discounted, free, or donated. If gross revenue exceeds the bracket maximum, then fees are 3% of the gross, and may be adjusted for time off NFS lands if appropriate.
