

## **Questions Established for Evaluating Applicants for the Imlay West Term Grazing Permit**

*Please provide **complete** answers to the following questions.*

1. Describe your existing livestock operation and your ability to provide oversight and management in this allotment during the grazing season.
2. What is your capability to complete the required range improvement maintenance for this allotment prior to the start of the grazing season? What experience do you have in conducting fence maintenance in a badlands ecosystem?
3. Given the available AUMs, existing vegetation, and condition of range improvements describe how you would propose to utilize the allotment in relation to the number of livestock, season of use, and grazing intensity.

4. Describe your ability to work cooperatively with the Forest Service and other agencies along with public users of the Wall Ranger District.
