

## Agenda for the SW Jemez Mountains Restoration Strategy Workshop

**Workshop Purpose:** Collaboratively develop a forest restoration treatment strategy and other key parts of a Proposal for Funding, in accordance with Title IV of the 2009 Omnibus Public Lands Management Act. Establish a common understanding for ongoing collaboration.

<b>FEBRUARY 9, 2010: DEFINING ECOSYSTEM CONDITIONS AND RESTORATION NEEDS</b>	
8:30-9:00 am	<b>Refreshments/Registration</b>
9:00 (sharp)	<b>Opening Remarks/Why are We Here</b>
9:30-10:00	<b>Participant Introductions:</b> and what's so special about Jemez Mountains?
10:00-10:30	<b>Restoration Vision:</b> After 10 years of restoration, what's been achieved?
10:30-10:45	<b>BREAK (15 min)</b>
10:45-11:15	<b>Workshop Expectations, Agenda, Materials, and Ground Rules</b>
11:15-12:00	<b>Title IV:</b> What is required for a restoration strategy and funding proposal?
12:00-1:00pm	<b>LUNCH and presentation by Dr. Craig Allen, research ecologist</b>
1:00-1:30	<b>Title IV:</b> Finish questions/answers and organize Proposal workgroups
1:30-3:15 w/short break	<b>Restoration Needs:</b> What are the "out of whack" conditions in the area?
3:15-3:30	<b>Summary &amp; Adjourn:</b> Have we defined the restoration "need for action"?

<b>FEBRUARY 10, 2010: DEFINING A RESTORATION TREATMENT STRATEGY</b>	
8:30-9:00 am	<b>Refreshments/Registration</b>
9:00- 10:00	<b>Treatment Actions:</b> What treatments will address the restoration needs?
10:00-10:30	<b>Social-Economic Factors:</b> What social or economic factors might affect our ability to conduct those restoration treatments?
10:30-10:45	<b>BREAK (15 min)</b>
10:45-12:00	<b>Treatment Locations &amp; Objectives:</b> Where would those treatments give the biggest bang for the buck? And what restoration objectives/needs will those treatments address?
12:00-1:00pm	<b>LUNCH</b>
1:00-3:15 w/short break	<b>Treatment Locations &amp; Objectives:</b> Finish group processes on where treatments would give biggest bang for the buck, and reasons why
3:15-3:30	<b>Summary &amp; Adjourn:</b> What's Been Accomplished and What's Next?

## Agenda for the SW Jemez Mountains Restoration Strategy Workshop

February 11, 2010: DRAFTING SECTIONS OF THE PROPOSAL FOR FUNDING	
8:30-9:00 am	<b>Refreshments/Registration</b>
9:00- 9:30	<b>Orientation and expectations for 4 concurrent workshop sessions:</b> Small groups work (w/laptop & projector) on preparing initial drafts on: -- Restoration Treatment Strategy -- Funding Sources & Work Plan -- Potential Wood Utilization/Socio-Economic Benefits -- Monitoring/Adaptive Management Framework
9:30-12:00	<b>Treatment Strategy:</b> Complete rough treatment mapping, then focus on creating crosswalks (tables) describing treatment types, amounts, locations, and expected ecological benefits.
9:30-12:00	<b>Funding Sources/Work Plan:</b> Identify pre-implementation actions, current/needed staffing and funding among partners, and estimated costs. Outline potential non-NFS funding sources.
9:30-12:00	<b>Wood Utilization/Socio-Economic Benefits:</b> Estimate potential wood supply volume from SWJM & surrounding areas, and potential products, infrastructures, industries, and markets. Briefly list potential job & training opportunities, and other social and economic benefits.
9:30-12:00	<b>Monitoring/Adaptive Management Framework:</b> Identify general framework of monitoring/evaluation elements and measures that could be used to ensure restoration objectives are met. List partners involved and how results be evaluated, reported, and used to adjust treatments
12:00-1:00pm	<b>LUNCH</b>
1:00-2:30	<b>Workgroups Wrap-up Work.</b> Continue drafting each section, plus: what are the remaining gaps, how can they be filled, and how will the draft section be completed by Feb. 19 (for further reviews/edits)
2:30-3:30	<b>Workgroup Report-Outs, Workshop Summary, and Adjourn.</b> What did each group accomplish, what remains, and what is the plan for finishing all initial draft sections of the Proposal by Feb. 19
