Sawtooth National Recreation Area

Before your trip: please check fire restrictions, group size limits, dog rules, and Wilderness regulations. Ebikes are allowed on motorized trails only. Check weather on weather.gov and be prepared for changing conditions. Store your food in a bear safe manner. Cell service is very limited in the area. Pack out all toilet paper and other trash. It is your responsibility to know and understand rules before recreating on the SNRA. More detailed trail information can be found at our partner's website: www.discoversawtooth.org/trails.

General Update: Expect to encounter snow above 7,500-8,500 feet, high creek crossings and lots of downed trees this time of year.
