## Tips & Troubleshooting

- It is highly recommended to sign up for an account at Recreation.gov. This will help store your permit and future recreation reservations so you don't have to keep track of where your permit(s) are.
- Once you've downloaded the Recreation.gov app, if you're having troubles completing the scan-and-pay transaction, try putting your device in Airplane mode. Cell reception is not required while completing the scan-and-pay transaction and this will help speed up the process. Don't forget to take your phone out of Airplane mode once you've reached better cell reception!

### Purchasing multiple permits in one transaction:

- Every motorized vehicle in a Tonto NF OHV Permit Zone must have at least one rider in possession of a Tonto NF OHV permit, issued in their name as listed on their Driver's License. Not every person in the vehicle needs a permit. When purchasing multiple permits in one transaction, there is an opportunity to fill in multiple individuals' names, address, etc. Only purchase multiple permits if you have multiple vehicles recreating today; permits are nontransferable and nonrefundable.
- For youth under the 16 years of age operating an OHV in the OHV Permit Zones, they do not need their own permit but must be accompanied by a guardian with a Tonto NF OHV Permit.

# To purchase a Tonto NF OHV Permit:

**Option A (fastest):** If you already have the [Recreation.gov app](#) on your phone or have cell reception and can download the app, the quickest way to purchase a 3-day permit is to use the scan-and-pay option. Use your smartphone's camera to scan the QR code below (note you will need the Recreation.gov app).

## Scan and Pay:

You will be prompted for basic information including name, email, and payment information. Once complete, screenshot your permit to make it easily accessible in your photos. The permit will also be emailed to you, but email may not be easily accessible on the trails. You now have one 3-day permit! If you would like to purchase more 3-day permits for additional vehicles, scan the QR code above again and fill out the prompts.

**Option B** (cell service needed): Using the [Recreation.gov app](#), you also have the option to purchase the 6-month or annual permit.

1. Go to the Recreation.gov app on your smartphone and sign in to your existing account, create an account, or continue as guest.
2. Search for the destination of “Tonto National Forest OHV Permit.”
3. Click Purchase Here.
4. Enter the quantity of permits you want to purchase for each: # of annual permits, 6-month permits, and 3-day permits. \*\*See notes about purchasing multiple permits in one transaction.
5. Fill out the information, including:

- First & Last Name**, as it appears on Driver's License

- Email Address**

- Start Date** for your permit (note the End Date auto-fills)

- Primary Permit Area** (drop down, select which Permit Zone you'll be riding in the most out of the 4 OHV Permit Zones. Note this permit gives access to all 4 Permit Zones)

- Primary Vehicle Type** (type-in, for example: ATV, UTV, Jeep, etc.)

- Mailing Address**, including country

6. Read through the Need to Know section then select “Yes, I have read and agree to the Need to Know information.”
7. Select Add to Cart.
8. Select Pay with Card. Enter your payment information, and select Confirm & Pay.
9. Once complete, select Print or Download to view the permit, and screen shot your permit to make it easily accessible in your photos. The permit will also be emailed to you and if you signed in to a Recreation.gov account, it will also be stored in your account and on the app.

**Option C** (cell service needed): From your smartphone or laptop, go to [www.Recreation.gov](#) and search the destination “Tonto National Forest OHV Permit.” Follow the same directions as Option B.
