

CHAPTER 5

LIST OF AGENCIES, ORGANIZATIONS, AND INDIVIDUALS TO WHOM COPIES OF THE STATEMENT ARE SENT

This chapter contains a portion of the entire mailing list for Midewin National Tallgrass Prairie. Newsletters and planning updates were sent to approximately 700 individuals and organizations. The expense of sending complete documents to this entire list would be prohibitive. People who have previously indicated an interest in the Midewin Land and Resource Management Plan have received either an Executive Summary of the planning documents or information on where the complete documents are available for review. The entire mailing list is not included here. The following list of names, agencies, organizations, and libraries were sent a complete set of the Proposed and Final Land and Resource Management Plan, and Draft and Final Environmental Impact Statement.
