

## Description of area

Huntible area: **only Forest Service ownership** within DMAP Unit boundary

Forested with small openings

Principal use: timber production and recreation

## Boundary marking

Bounded on the west by State Route 6

Bounded on the south by State Route 6 and Gibbs Hill Rd/Bliss Hill Rd

Bounded on the east by State Route 321

Moving east from State Route 6, this unit is bounded on the north by State Route 59, the Allegheny Reservoir, FR 850 (Sugar Bay Boat Launch), State Route 321, the ANF boundary (marked on trees using vertical red stripes between two hash marks in addition to permanent Forest Service signs every 300'), and State Route 59 again before meeting up with the unit's eastern boundary, State Route 321

The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be: developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. The Forest Service will not be liable for any activity involving this information.
