

Uinta-Wasatch-Cache National Forest Outreach Notice Fire Hire Positions

GW-0462-03 thru GW-0462-10

Application Period: August 22nd – September 23rd, 2025

The [Uinta-Wasatch-Cache National Forest](#) is looking for a committed, hardworking, highly skilled workforce to suppress wildfires and work in fuels management on seven Ranger Districts located in Wyoming and Utah. The Fire and Aviation Management Program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions including; fire and fuels management, aviation, dispatch, engine crews, hand crews, helitack, interagency hotshot crews and prevention. The Fire Hire program is being implemented to streamline the hiring process for permanent fulltime/permanent seasonal positions and provide consistent hiring throughout the Region and within the Agency. This hiring process allows the National Forests in the Intermountain Region to fill vacancies in a more efficient and timely manner.

This [outreach is for GW-0462-03 through GW-0462-10](#) current career permanent fulltime and permanent seasonal fire, fuels, and aviation positions. The vacancy announcements for these positions are posted on the U.S. Government's official website for employment opportunities at www.usajobs.gov. These are national vacancy announcements with a specific opening and closing date. The vacancy announcements will be open for applications as noted in the charts below by position.

If you are interested in filling a position through the Fire Hire process, please respond to this outreach utilizing the [Outreach Reply Notice](#). Your response is important! The personal touch and outreach can sometimes set you apart as hiring managers work through hundreds of applications each year. Please ensure that you are applying for all the positions you are interested in and willing to accept as positions may become vacant during the fire hire process.

Tips for applying & what to include in your resume:

- Applying to Forest Service Positions: www.fs.usda.gov/goto/ApplyingTo
- Tailor your resume to each job announcement
- Spell out acronyms
- Be honest
- Write clear and concise statements
- Use active verbs
- Proofread your resume

Applicant Checklist

- Please ensure you have a copy of Signed Performance Evaluation for each time period worked in order to meet Land Management Workforce Flexibility Act (LMWFA) eligibility.
- Copy of all SF-50's (on-boarding and off-boarding) Latest SF-50 will have to be emailed by supervisor or can call HRM Help Desk to have it emailed to you (1-877-372-7248).
- Current IQCS Master Record

Things to keep in mind when applying:

- Vacancy Announcements on USA Jobs will give examples of the specialized experience for each position advertised. Ensure your resume matches the listed specialized experience requirement in plain language. This should be listed under a work experience that shows title, series, grade and time period performed so that HR can properly credit.
- Ensure all SF-50's showing on-boarding /off-boarding and performance for each time period or statement as to why missing that time period is properly loaded into USA Jobs.
- Allow yourself plenty of time to apply for positions. The USA Staffing system closes all announcements at midnight Eastern on closing date.
- Print and read the entire vacancy announcement to ensure you have included all required information and documents.

The Process and Timeline

August 10th, 2025 – Outreach begins. Information is available on the Intermountain Region Fire Hire website. <https://www.fs.usda.gov/detail/r4/jobs/?cid=STELPRDB5375168>

August 22nd, 2025 – Announcements will be activated in [USAJobs](#). Applicants are encouraged to apply for multiple duty locations (where they would accept a position if offered), even if positions for certain locations which you are interested are not currently listed as vacant. Vacancies may occur during the hiring process and could be filled during Selection Week(s).

September 23rd, 2025 – **Application deadline** (11:59 p.m. Eastern Standard time). Applications must be submitted through www.usajobs.gov.

October 27th – November 21st, 2025 – Supervisory Reference Checks and Subject Matter Expert evaluations will occur during these weeks. Please ensure your references are notified of this and are available at the email address (preferred) or phone number provided on your application.

November 18th – November 20th, 2025 – GS-09 Interviews will be conducted. Applicants that have applied for target grade GS-0462-09 positions should plan to be available for interviews from interested forests.

December 1st – December 17th, 2025 – Recommendations and Selections. Representatives from each forest will make recommendations for hiring. Candidates selected will be notified by a Forest Service representative via phone. It is highly encouraged for all applicants to be available via phone during this time period. Those not selected should check their USAJobs account for status updates.

Note:

In order to qualify for most of these positions, you must meet qualifications requirements as defined by Interagency Fire Program Management (IFPM) and Forest Service – Fire Program Management (FS- FPM) at the time of selection. Because of these qualification requirements, a current copy of your IQCS/IQS Master Record will be required for positions in this outreach. An updated Master Record can be submitted at the time of selection if the IFPM/FS-FPM requirements were not met on the Master Record at the time of application.

You must also meet the eligibility requirements as defined by OPM. For more information on the eligibility requirements for this position, visit the [Office of Personnel Management's General Schedule Qualification Standards](#). Eligibility requirements must be met at the time of application.

Your application and resume must clearly show that you possess the experience requirements. Transcripts must be provided for qualifications based on education. Provide course descriptions as necessary.
