

Scan and Pay Information and Instructions

Introducing the [Recreation.gov](https://www.recreation.gov) mobile app's **Scan & Pay** feature. This feature allows quicker access by using your mobile device to pay directly for first-come, first-served campsites at the **Jorgen's Hollow** and **Hankinson Hills Campgrounds**.

The step-by-step instructions (*also provided here*) and QR code are posted on each site's information kiosk.

Once you have utilized the Scan & Pay feature, please help us track this new feature by following these steps:

1. Find a fee envelope from the fee tube and fill it out.
2. On the fee envelope, write your Online Confirmation Number in box 10 in this format: OCN-XXXX. If applicable, add your Interagency Pass for Senior, Access, or Golden Passport #.
3. Tear off the Proof of Payment tab and place it on the campsite post you're occupying.
4. Place the envelope into the Fee Tube.

The Scan & Pay feature is available even without a cellular connection, as the app stores the payment until a connection is re-established.

The app is available on the Apple App Store for iOS devices and the Google Play Store for Android devices, or from the [Recreation.gov](https://www.recreation.gov) mobile app page <https://www.recreation.gov/mobile-app>.

Contact the local Ranger District Station for more information.

PAY WITH THE RECREATION.GOV MOBILE APP

1

Introducing
Recreation.gov
Scan & Pay for first-
come, first served
campsites at select
campgrounds.

2

Select an unoccupied
campsite and place
your tent and equip-
ment down to claim
the site.

3

Visit the kiosk, scan
the QR code with the
Recreation.gov app,
and follow the on-
screen instructions to
pay for your site.

4

Got cell connectivity?
- You're all set!
No cell connectivity?
- No problem! Your
payment will be
marked as "Pending"
until you reach cell
connectivity later.

5

Be sure to follow any
additional instructions
at the kiosk or fee
tube to indicate your
campsite is paid for
and occupied.

6

If asked for proof
of payment, simply
show the confirmation
number and QR code
on your phone.
