From the Prescott National Forest website, click on Visit at top left, then click on Permits on left side, then Fuelwood Permits in center to get to this screen. Click “here” to access fuelwood portal.

Or go directly to <https://epermits.fs2c.usda.gov/> to purchase a firewood permit online.

The screenshot shows a web browser window with the URL <https://epermits.fs2c.usda.gov>. The page header includes the USDA Forest Service logo and the title "Special Forest Product E-Permits". A navigation menu contains "Home", "About", "Help", and "Contact Us". The main content area features a large background image of stacked firewood. A white modal window titled "Choose Your Permit" is overlaid on the image. It contains the following text: "The USDA Forest Service invites you to obtain permits for select forest products now available online, with more to come in the future. Get started by selecting your desired forest and product." Below this text are two dropdown menus: "Select your forest" with "Prescott National Forest (Arizona)" selected, and "Select a product" with "Firewood" selected. A green "Get Your Permit" button is positioned at the bottom of the modal. A dark grey banner at the bottom of the main content area reads "Welcome to E-Permits - USFS Special Forest Product Application". Below this banner is a section titled "How E-Permits Works" with four circular icons representing different steps: a tree, a document, a shopping cart, and a printer. The Windows taskbar at the bottom shows various open applications, including "USDA Forest Service E-F", "Deleted Items - rebekal", "Chat | FS FACA Monthly", and "Document1 - Word".

Use the arrows on the right side to select "Prescott National Forest" and "Firewood". **Click** "Get Your Permit".

A new screen will open up titled **Permit Information**.

How Do I Get a Permit?

With a firewood permit, you can harvest firewood from the Prescott National Forest in areas open for harvesting. You may obtain a permit online, or contact one of [our district offices](#) for additional information.

What Does a Permit Cost?

Product	Price	Minimum Purchase	Permit Cost
Firewood	\$2.00/Cord*	10 Cords	\$20.00

* Firewood is measured in cords. A standard cord is the amount of tightly stacked wood 4 feet wide by 4 feet high by 8 feet long.

[Mouse over to view a standard cord of wood.](#)

How Much Can I Harvest?

Product	Minimum Purchase	Maximum Purchase
Firewood	10 Cords	N/A

This permit will terminate either at midnight of the termination date shown on your permit, or when the quantity you have purchased is reached, whichever comes first.
