

EVANS CREEK Off Road Vehicle Area

Tucked high in the western Cascade Mountains, near the historic towns of Carbonado and Wilkeson, Evans Creek offers a unique and challenging trail riding experience with over 50 miles of 4x4, ATV and motorcycles trails to discover. Evans Creek ORVA is open annually April 1 through December 14.

Northwest Forest Pass Required:

- Required for each vehicle driven to Evans Creek ORVA for riding or camping. Trailered vehicles exempted.
- Day - \$5 (Buy at Entrance kiosk, Burnett Store, Enumclaw Ranger Station)
- Annual - \$30 (Buy at Burnett Store, Enumclaw Ranger Station)
- Federal Interagency passes also accepted (Annual, Military, Senior Access, 4th Grade EKIP)

Vehicle Requirements for Evans Creek:

- 4x4's must be narrower than 80 inches.
- Display valid license plate and/or ORV registration, decals and/or tabs.
- Spark arrestors installed.
- DOT approved motorcycle helmets required for ATV, UTV and Motorcycle riders.

Look around you!

As you ride, enjoy the scenic views of Mt. Rainier. Look closely for the variety of wildlife; woodpeckers, grouse, deer, elk and black bear; who call the Evans Creek area home.

Evans Creek Campground

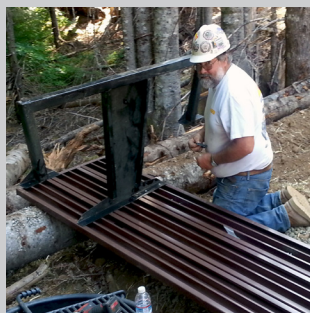

- No ORV Riding on campground or access roads.
- 41 sites available, no reservations
- 5 mph speed limit
- Limit of stay: 14 days
- No garbage service. Pack out all of your trash.
- Be a good neighbor, keep the noise down!

Useful Phone Numbers

Please note that cell phone coverage is limited throughout Evans Creek ORV Area.

For emergencies dial 911.

The Future of Riding at Evans Creek...

...will not be possible without your help. U.S. Forest Service crews and volunteers contribute over a thousand hours every year to help maintain Evans Creek trails and facilities. Respect their

hard work and consider joining the ranks of Evans Creek volunteers. For more info contact:
