Dear interested party,

This letter is to notify you of an administrative change to the Willamette National Forest Land and Resources Management Plan. An error was found in the Forest-wide Standards and Guidelines for scenic resources (FW-059).

Table IV-24 of FW-059 was missing the visual quality objectives (VQO) for management area 3 and misattributed the VQO for management areas 2a, 5a, 9a, 9b, 9c, 10e, and 10d. To correct this error, Table IV-24 on pg. IV-56 is changed as shown below to match the standards and guidelines provided for each management area.

Existing Table IV-24, pg IV-56

VQO	Management Areas

Partial Retention	6c, 9b, 9c, 10a, 10b, 11c ¹ , 11d ¹ , 12a, 12b, 15
Modification	11a ¹ , 11b ¹
Maximum Modification	13a, 13b, 14a, 14b

¹ Management emphasis in these areas will be to coordinate with other resource programs to ensure that Visual Quality Objectives are maintained.
