Dear Prospective Timber Purchasers and Other Interested Parties:

The Forest Service intends to advertise timber designated for cutting in the following proposed timber sale areas on the Boise National Forest. The **Blue Jean** sale contains 245 acres more or less within T. 10 N., R. 10 E., secs. 28-29, 31-32 and T 9 N., R. 10 E., sec. 5. This sale contains an estimated volume of 7,129 Ton (2,431 CCF) of timber marked or otherwise designated for cutting. The **Canyon** sale contains 93 acres more or less within T. 10 N., R. 10 E., secs. 26 and 27. This sale contains an estimated volume of 2,751 Ton (958 CCF) of timber marked or otherwise designated for cutting. In addition, there is within the two sale areas an unestimated volume of Ponderosa Pine and Other sawtimber and Combined Softwood non-saw that may be included timber upon written agreement.

This advance notice is to afford interested parties additional time to examine the sale areas prior to advertisement. Interested parties may obtain information and maps about the sale areas from the Boise Supervisor's Office, 1249 S. Vinnell Way, Suite 200, Boise, Idaho 83709, or online at <https://www.fs.usda.gov/r04/boise/forest-products/timber-sales>. If you wish further information, you may also contact Mary Keeler, Timber Contracting Officer at 208-373-4184 or mary.keeler@usda.gov. The final advertisements will contain final minimum stumpage rates, contract provisions and other sale conditions.

Sincerely,

MARY J. KEELER
Contracting Officer
