Seasonal or Emergency Administrative Closures:

Designated Roads are subject to wet weather or winter road closures, or may be temporarily closed due to seasonal conditions, project related work, emergency activities, or firefighting operations. Roads designated on this map area are available for motorized use as depicted except when posted as being unsuitable for use due to wet conditions or other administrative or public safety needs. Winter weather closures generally occur in higher elevations starting with the first substantial snowfall in late December, and can last until mid-April. Please check the Coconino National Forest web page for the latest information about status of roads. Information about these closures is updated regularly on the Coconino National Forest website at: <http://www.fs.usda.gov/main/coconino/home>, and signs are posted locally.
