Dear Proponent:

Thank you for your interest in obtaining a special use permit on the Dixie National Forest (DNF). We recognize the important contribution(s) that Outfitter and Guide operations play in providing forest users multiple recreation opportunities on the DNF. Unfortunately, due to current staffing shortages in the DNF's recreation program, our ability to proceed with review and processing proposals for recreation special use permits is limited.

Until we have adequate staffing, we are unable to process any requests for new recreation special use permits other than those for noncommercial group use.

We will retain your documents and contact you when we are ready to proceed with review of your proposal.

If you have questions or concerns, please contact Del Orme, Public Service Staff Officer, at 435-865-3700 or [del.orme@usda.gov](mailto:del.orme@usda.gov).

We apologize for any inconvenience this may cause.

Sincerely,

KEVIN WRIGHT
