The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. This may be: developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results.

The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. For more information, contact: Ozark-St. Francis National Forest, 605 West Main, Russellville, AR 72801-3614, (479) 964-7211
