Our seasonal employees are the backbone of summer operations—keeping our campgrounds, trails, and recreation sites open, safe and welcoming for visitors. These positions offer meaningful work, hands-on experience, and the chance to support public lands close to home. The Lake Tahoe Basin Management Unit is recruiting a variety of seasonal roles at the GS 5 and GS 7 pay grade. These roles will assist in meaningful work supporting our Public Services Department and assisting with recreation, archeology and special uses. Job duties include but are not limited to:

- Developed Recreation Site Stewardship/Maintenance
- Visitor Services
- Trail and Facility Maintenance
- Archeology Survey
- Special Use Permit Administration Support
- Wilderness Stewardship

**There will be limited employee housing available for seasonal employees.**

## **How to Apply:**

1) Apply via USAJOBS beginning Feb. 20, 2026 through March 3, 2026. Announcement Numbers:

**About the Forest:**

Approximately 78% of the area around Lake Tahoe is public land managed by the USDA Forest Service. Totalling over 156,000 acres, this land includes beaches, hiking and biking trails, wilderness, historic estates and developed recreation areas such as campgrounds and riding stables. The forest is managed to provide access for the public and to protect the natural resources of the area. We hope you will join us in ensuring that the lake and surrounding lands will be even more beautiful and healthy in the future than they are now.
