Dear Interested Public,

Enclosed is the timber sale program for the Bitterroot National Forest (BRF) from April 1, 2026 through March 31, 2027. This 12-month program lists the proposed timber sales for each Ranger District on the Bitterroot National Forest.

Sales shown with a firm decision date have an approved environmental document. If the sale does not have an approved environmental document, then the environmental analysis is still in progress and a signed decision will be issued later. The approved decision will be published in the Schedule of Proposed Actions.

Bear Creek Stewardship will be advertised through a partnership agreement with National Wild Turkey Federation, offered spring of 2026.

Sharrott Salvage, Fred Burr, McCalla-Larson, Square Tin, and Spoon McCoy will be offered as required subdivisions within the Bitterroot Front IRSC contract. Hart-Trap will be offered as an optional item. The Bitterroot Front IRSC is scheduled to be advertised in the spring of 2026.

GNA-Two-Tough and GNA-Flat Basin are currently being advertised by the State of Montana (DNRC) and can be viewed here: <https://dnrc.mt.gov/Forestry/Forest-Products/timber-sales>. Please note bids are due prior to bid opening 04/08/2026 at 1400.

Gold Butterfly sales (Deadhead and Beartrap) have been moved further out-year due to current litigation.
