Dear Prospective Timber Purchasers and Interested Parties:

The Periodic Timber Sale Announcement for the Hiawatha National Forest Timber Sale Program for proposed timber sales to be offered during the period of April 1, 2026, to March 30, 2027, is enclosed.

The program identifies the approximate amount and variety of timber ready to offer for sale during the period. The announcement includes the schedule for all timber sale contracts, stewardship contracts with timber volume and all volume to be offered by partners under any good neighbor authority agreements. The information contained in the announcement should enable you to select, examine and bid on those sales that best suit your operations.

Stewardship projects are identified in the sale name and are a tool available to the Forest Service to enhance and restore landscapes by using the value of traded goods (timber) for important work to be accomplished on the ground (services). There are 3 stewardship projects identified during the program period. The Integrated Resource Timber Contract, 2400-13T, will be used to award all of these contracts. The contract prospectus will describe both the timber sale information and the service contract specifications. These types of contracts will be awarded on a best-value basis. Potential purchasers are encouraged to seek additional information and consider this non-traditional method of procuring Forest Service timber.

Good Neighbor Authority (GNA) sales are identified in the sale name. There are six GNA identified sales during the program period. These sales will be offered, awarded and administered by the State of Michigan.

Two timber sales will be sold and administered by the National Deer Association (NDA).

Small Business Administration (SBA) sales are identified in the sale name. There are no SBA identified set-aside sales during the program period.

The announcement lists the estimated volumes in cubic measurements. For purposes of converting hundred cubic feet (CCF) to thousand board feet (MBF) and Cords, use the following approximations:

Sawtimber CCF multiplied by .54 = Sawtimber MBF

Pulpwood CCF divided by .79 = Pulpwood Cords

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the State or local Agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.
