Additional Information

Cutting Season dates:
November 1 - December 31, 2026.

At this time, there are no restrictions on the type of tree species that can be cut.

Permit does not authorize cutting on private property, within designated Wilderness areas, active timber sales or within 300 feet of a paved road.

Forest roads are generally not maintained for winter use. Roads may be closed, snow packed or inaccessible. Call the Ranger Station for the most up to date information on road conditions.

Cross country motorized travel is prohibited. To download a copy of the Motor Vehicle Use Map (MVUM) displaying the official road system scan the code below or visit here:
