- B-D Wilderness Study Areas

Scale Constraint:
The appropriate scale for use of this data is
no finer (no more detail) than 1:100,000.

Data Constraints:
Data may be viewed and used by any and all
entitles upon request. However, data should
not be changed or modified by anyone other
than the originating National Forest. The
USDA Forest Service does not guarantee the
accuracy of this data.

The USDA Forest Service manages this data
for planning purposes, not necessarily for
actual on the ground implementation. The
USFS is in no way condoning or endorsing
the application of this data for any given
purpose. It is the sole responsibility of
the user to determine whether or not the
data is suitable for the intended purpose.
It is also the obligation of the user to
apply this data in an appropriate and
conscientious manner. The USFS provides
no warranty, nor accepts any liability
occurring from any incomplete or misleading
use of this data.
