

Hebgen Basin Travel Planning Area

A. Travel Area Goals, Objectives, Standards and Guidelines

GOAL 1: Summer Recreation Use. Provide opportunities for high levels of summer recreation with an emphasis on motorized use of open roads. Managed activities would include pleasure driving, ATV/motorcycle use and mountain biking. Manage the South Fork of the Madison River from Highway 20 bridge to Hebgen Lake as a water trail.

OBJ. 1-1: Achieve the summer recreation opportunities identified in GOAL 1 through the route-by-route management decisions made through this Travel Plan. Any future proposals to change the uses specified should be done in consideration of the targeted recreation setting to be provided [see the “Recreation Opportunity Spectrum” (ROS) map for summer uses (October, 2006)] which is hereby incorporated by reference.

OBJ. 1-2: Acquire additional trail access in the Red Creek area from Highway 287 to Hebgen Lake.

GOAL 2: Winter Recreation Use. Provide opportunities for snowmobiling in the winter on mostly groomed, well-maintained routes.

OBJ. 2-1: Achieve the winter recreation opportunities identified in GOAL 2 through the marked and groomed route management decisions made through this Travel Plan along with decisions made on the area available to snowmobiles. Any future proposals to change the uses specified should be done in consideration of the targeted recreation setting to be provided [see the “Recreation Opportunity Spectrum” (ROS) map for winter uses (October, 2006)] which is hereby incorporated by reference.

GOAL 3: Bald Eagle. Provide secure bald eagle nesting habitat around Hebgen Lake.

See site-specific area restrictions.

B. Alternative Route-By-Route Management
