

Gallatin National Forest Travel Plan Final Environmental Impact Statement

Table of Contents

CHAPTER 1	1
Purpose and need for Action.....	1
Changes from the Draft to Final EIS	1
Introduction.....	1
Background.....	2
General Location and Geographic Setting.....	3
Proposed Action.....	3
Establishment of Forest-wide Goals, Objectives, Standards and Guidelines for Travel Management.....	3
Establishment of Travel Planning Area Goals, Objectives, Standards and Guidelines for Travel Management	4
Designation of the Modes of Travel Permissible and Managed for in Specific Areas and on Specific Roads and Trails of the Gallatin National Forest	4
Motorized Use.....	4
Passenger Car Travel	6
4 x 4 High-Clearance Vehicle Travel	6
ATV Travel.....	6
Motorcycle Travel.....	6
Mountain Bike Riding.....	6
Horseback Riding.....	6
Hiking	7
Snowmobiling.....	7
Cross-country skiing.....	7
Small Aircraft Landing Strips.....	7
Table 1.1 Desired general locations of backcountry airstrips.	7
Adoption of programmatic direction (Goals, Objectives, Guidelines) for “Access”	8
Amendment to Remove Specific Management Direction from the Existing Gallatin National Forest Land and Resource Management Plan.....	8
Development of a Monitoring Plan Associated With Travel Management.....	8
Need and Purpose	8
Need for a Gallatin National Forest Travel Management Plan.....	8
Recreation and Travel Trends.....	9
Montana/North Dakota Statewide OHV Decision.....	9
FS Regulations for Recreational Motor Vehicle Use	9
Land Acquisition.....	9
Court Order on Montana Wilderness Study Areas	10
Grizzly Bear Recovery Zone	10
Cutthroat Trout Conservation Strategy and Agreements.....	10
Lynx Amendment	10
Other Resources	11

Need For Forest Plan Amendments	11
Purpose for a Gallatin National Forest Travel Management Plan	14
Decisions To Be Made.....	14
Scope of the Decision	15
CHAPTER 2 - Alternatives.....	1
Changes from the Draft to the Final EIS	1
Introduction.....	2
Scoping and Issue Identification.....	2
The Scoping Process.....	2
The Draft EIS Comment Period	3
Significant Issues	3
1. Bald Eagle.....	4
2. Big Game (Ungulates)	4
3. Biological Diversity and Ecological Sustainability	4
4. Cultural Resources.....	4
5. Social and Economic Impacts.....	5
6. Enforcement.....	5
7. Fisheries and Aquatic Life	5
8 Forest Plan Amendments to Remove Existing Standards related to Travel Management.....	5
9. General Wildlife.....	5
10. Grizzly Bear	5
11. Transportation System Implementability.....	6
12. Invasive Weeds	6
13. Lynx	6
14. Migratory Birds.....	6
15. Noise	6
16. Recreation	7
17. Riparian Areas	7
18. Roadless Areas.....	7
19. Soils.....	8
20. Watershed Management (Water Quality).....	8
21. Wilderness, Wilderness Study Areas, and recommended Wilderness	8
22. Wolverine.....	8
23. Wolves	9
Other Issues.....	9
24. Air Quality	9
25. Research Natural Areas.....	9
Table 2. 1 Research Natural Areas on the Gallatin Forest	10
26. Energy Consumption	11
27. Extractive Use.....	11
28. Fire	11
29. Fire/Fuels Management	12
30. Fragmentation	12
31. Private Land AValues	12
32. Public Safety	13

33. Rare Plants	13
34. Sensitive Wildlife	13
35. Snags/Down Woody Debris	14
36. Subnivian Small Mammals	14
37. Tourism	14
38. Water (Snow) Chemistry	15
The Alternative Development Process.....	15
Summary of Alternatives Studied in Detail	19
Components of the Alternatives.....	19
Establishment of Forest-wide goals, objectives, standards and guidelines.	19
Establishment of area-specific goals, objectives, standards and guidelines.	20
Establishment of route-by-route management direction and area restrictions for snowmobiling.....	21
Amendment of the Gallatin National Forest Land and Resource Management Plan (Forest Plan) to incorporate the travel planning direction and remove existing Forest Plan direction pertaining to travel management.	21
Guiding Themes.....	21
Alternative 1 – no action.....	22
Alternative 2.....	22
Alternative 3.....	23
Alternative 4.....	23
Alternative 5.....	24
Alternative 6.....	24
Alternative 7.....	24
Alternatives Considered but not Given Detailed Study	25
Eliminate motorized use of the Forest.	25
Increase motorized recreation opportunities beyond that provided in Alternative 1.....	26
Managing helicopter landings on the National Forest.	26
Close and obliterate primary access roads into the Gallatin National Forest.	26
Restrict mountain bikes to designated routes.....	27
Restrict stock to designated routes.....	27
Restrict snowmobiles to designated routes.	27
Evaluate Roadless Areas for potential recommendation as wilderness	28
Establish Noise restrictions on Motorized Vehicles.	29
Seperate Motorized and Non-motorized uses in Time (e.g. Alternating Days).....	29
Consider Actions to Construct, Reconstruct and Conduct Maintenance on Roads and Trails.	30
Mitigation	30
Comparison of Opportunities by Alternative.....	30
Table 2. 2 Summary of summer opportunities by miles (approximate).	31
Table 2. 3 Summary of winter opportunities in miles (approximate).	32
Table 2. 4 Summary of snowmobile area restrictions by acre.....	32
Table 2. 5 Forest-wide summary of facilities by miles (approximate).....	33
Comparison of Alternatives Studied in Detail by Significant Issue	34
Table 2. 6 Summary comparison of alternatives Forest-wide, by significant issue.	34

Implementation	47
Information and Education	47
Enforcement and Monitoring.....	47
CHAPTER 4 Other Issues.....	1
Introduction.....	1
ISSUE 24: Air Quality	2
Changes from the Draft to the Final EIS	2
Introduction.....	2
Discussion	2
Location and Description	2
General Effects.....	2
Table 4.24.1 Bridger Bowl Peak weekend hour vehicle emissions.....	4
Consistency with Laws, Regulations, Policy, and Federal, Regional, State and Local Land Use Plans (including the Forest Plan)	5
ISSUE 26: Energy Consumption	7
Changes from the Draft to the Final EIS	7
Introduction.....	7
Discussion	7
Location and Description	7
General Effects.....	7
Consistency with Laws, Regulations, Policy, and Federal, Regional, State and Local Land Use Plans (including the Forest Plan)	8
ISSUE 27: Extractive Uses	9
Changes from the Draft to the Final EIS	9
Introduction.....	9
Discussion	10
Commodity Resources.....	10
Livestock grazing.....	10
Table 4.27. 1 Types of conflict between recreation and livestock use.....	10
Timber Management.....	11
Minerals Management	12
General Effects to Livestock Grazing.....	12
Table 4.27. 2 Miles of road within allotments, by alternative.....	13
General Effects to Timber Management.....	13
Table 4.27. 3 Miles of Forest Service road within the suitable timber base closed to public and administrative use, by alternative.....	14
General Effects to Mineral Exploration and Development.....	15
Effects of Proposed Goals, Objectives, Standards and Guidelines.....	15
Consistency with Laws, Regulations, Policy, and Federal, Regional, State and Local Land Use Plans (including the Forest Plan)	16
ISSUE 31: LAND VALUES	17
Changes from the Draft to the Final EIS	17

Introduction.....	17
Discussion.....	17
General Effects.....	17
Consistency with Laws, Regulations, Policy, and Federal, Regional, State and Local Land Use Plans (including the Forest Plan)	19
ISSUE 32: Public Safety.....	20
Changes from the Draft to the Final EIS	20
Introduction.....	20
Discussion.....	20
General Effects.....	21
Facility Condition	21
Mixing Conflicting Uses.....	21
User Expectation and Behavior	21
Public Forest Service roads.....	21
Passenger car roads.....	22
Backcountry roads	22
Motorized summer trails.....	22
Motorized winter trails.....	22
Mountain bike trails.....	23
Pack and saddle stock trails	23
Hiking, skiing and snowshoeing trails	23
ISSUE 34: Sensitive Wildlife	24
Changes from the Draft to the Final EIS	24
Introduction.....	24
Discussion.....	24
General Effects.....	25
Table 4.34. 1 Sensitive Species.....	26
ISSUE 35: Snags/Down Woody Debris	27
Changes from the Draft to the Final EIS	27
Introduction.....	27
Discussion.....	27
General Effects.....	28
Table 4.35. 1 Lost snag habitat; grouped TPAs and relative magnitude of effect.....	29
ISSUE 36: Subnivian Small Mammals.....	30
Changes from the Draft to the Final EIS	30
Introduction.....	30
Discussion.....	30
General Effects.....	31
ISSUE 37: TOURISM	32
Changes from the Draft to the Final EIS	32
Introduction.....	32
Discussion.....	32

General Effects.....	33
Consistency with Laws, Regulations, Policy, and Federal, Regional, State and Local Land Use Plans (including the Forest Plan)	33
OTHER DISCLOSURES	34
Potential Adverse Environmental Effects that Cannot be Avoided.....	34
Short-term Use vs. Maintenance & Enhancement of Long-term Productivity.....	34
Irreversible and Irretrievable Commitment of Resources.....	34
Direct and Indirect Effects of the Alternatives and their Significance	35
Possible Conflicts with Plans and Policies of other Jurisdictions.....	35
Energy Requirements [40 CFR 1502.16(e)]	35
Environmentally Preferred Alternative(s).....	35
Environmental Justice	35
CHAPTER 5	1
Changes from the Draft to the Final EIS	1
The Public Involvement Process.....	1
The Starting Benchmark Comment Period (i.e. Initial Scoping).....	1
The Alternatives Comment Period.....	2
The Draft Environmental Impact Statement Comment Period.....	2
Consultation	3
Table 5.1 Agencies and Persons Consulted	3
Preparation	4
Table 5.2 List of Preparers	4
Glossary	Glossary-1
References.....	Volume 1-1
Appendix A – Purpose and Need for Amending Current Forest Plan Direction Pertaining to Travel Management	Appendix A-1
Appendix B - Monitoring.....	Appendix B-1
Appendix C - General Description of Changes from Alternative 7 of the Draft EIS to Alternative 7-M of the Final EIS	Appendix C-1
Appendix D – Biological Assessment Travel Plan.....	Appendix D-1
Appendix E – Response to Comments Received on the Draft Environmental Impact Statement	Appendix E-1
