

MANAGEMENT
AREA MAP

Medicine Bow National Forest
Revised Land and Resource Management Plan
Alternative C

2003

NOTE:
Management Areas 5.11, 5.13, 5.15, and 5.4 contain lands suitable for timber harvest. However not all areas within these management areas are necessarily suitable for harvest. (In the No Action Alternative A, 5.25, 4.31 and 5.21 also contain lands suitable for timber harvest.)

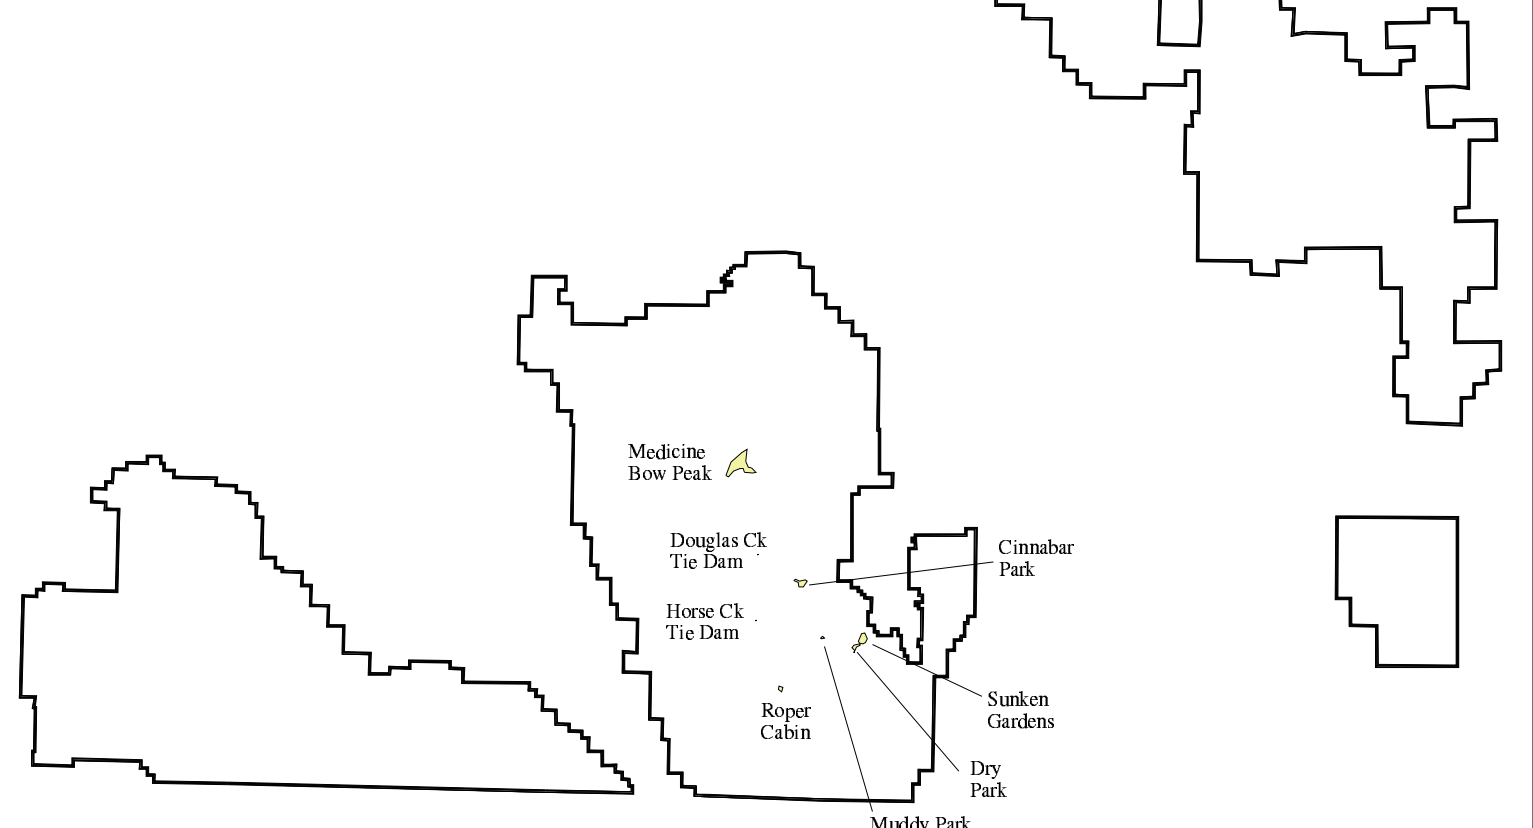

Disclaimer:
The Forest Service uses the most current and complete data it has available. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, have represented features not in accurate geographic locations, etc. The Forest Service makes no expressed or implied warranty, including warranty of merchantability and fitness, with respect to the character, functions, or qualities of the data or their appropriateness for any user's purposes. The Forest Service reserves the right to correct, update, modify, or replace this geospatial information based on new inventories, new information, etc. and if necessary in conjunction with other federal, state or local public agencies or the public in general as required by policy or regulation. Previous recipients of the products may not be notified unless required by policy or regulation. For more information, contact the Medicine Bow - Rout National Forests and Thimble Basin National Grassland Supervisor's Office (2688 Jackson Street, Laramie, WY 82070, 307-255-5300).

Management Area Key

1.13 Wilderness, Semi-primitive	1.5 National River System, Wild River Designated and Eligible	3.32 Backcountry Recreation, Nonmotorized with Winter Motorized	3.54 Special Wildlife Area, Sheep Mountain	4.22 Scenic Area, Vista, or Travel Corridor	5.13 Forest Products	5.42 Bighorn Sheep Habitat	1.5 National River System, Wild River Designated and Eligible in Wilderness	8.3 Economic Site
1.2 Recommended for Wilderness	2.1 Special Interest Area	3.33 Backcountry Recreation, Summer Motorized with Winter Nonmotorized	3.56 Aspen Maintenance and Enhancement	4.3 Dispersed Recreation	5.15 Forest Products, Ecological Maintenance and Restoration Considering the Historic Range of Variability	8.21 Developed Recreation	2.1 Special Interest Area in Wilderness	National Forest Service land around this feature will be managed as Management Area 7.1. Residential/Forest Interface. Additional interface communities listed in the Federal Register that are outside the National Forest administrative boundary will also be considered when planning and implementing National Fire Plan projects.
1.31 Backcountry Recreation, Year-round Nonmotorized	2.2 Research Natural Area	3.4 National River System, Scenic River Designated and Eligible	3.57 Late Successional Forest, Limited Management	4.31 Dispersed Recreation, Low Use	5.21 Water Yield	8.22 Ski-based Resort, Existing and Potential	2.2 Research Natural Area in Wilderness	
1.33 Backcountry Recreation, Summer Nonmotorized with Winter Snowmobiling	3.24 Wildlife Corridor	3.5 Forested Flora or Fauna Habitat, Limited Snowmobiling	3.58 Critical Deer and Elk Winter Range	5.11 General Forest and Rangeland, Forest Vegetation Emphasis	5.4 Forested Flora and Fauna Habitat	8.6 Administrative Site	3.4 National River System, Scenic River Designated and Eligible in Wilderness	
1.41 Core Area	3.31 Backcountry Recreation, Year-round Motorized	3.51 Bighorn Sheep	4.2 Scenery	5.12 General Forest and Rangeland, Rangeland Vegetation Emphasis	5.41 Deer and Elk Winter Range	Land Not Covered By This Plan	8.3 Utility Corridor	
* Management area not present in this alternative.
