

Table of Contents

I. Summary of the Decision	1
A. Introduction.....	1
B. Elements of the Decision	2
II. Rationale for the Selection of Alternative D FEIS	7
A. Introduction.....	7
B. Revision Topics	9
C. Criteria Used to Select the Preferred Alternative	9
III. Components of the Decision	16
IV. Changes Between Draft EIS and Final EIS	22
A. Revised Biological Evaluation (BE) and Biological Assessment (BA)	22
B. Management Indicator Species (MIS)	23
C. Watershed Analysis	23
D. Recreation Use Data	23
E. Modified Timber Analysis and Changes in Modeled Outputs	23
F. Economics and Communities	24
G. Revised Estimates of Potential Occurrences of Fire, Insects, and Diseases	25
H. Updated Oil and Gas Leasing Stipulations	25
I. Increase in Old Growth Percentages for Desired Condition	26
J. Increased allocation of Deer and Elk Winter Range MA 5.41 to more closely tie with mapped habitat.....	26
V. The Planning Process and Public Involvement	27
A. Scoping	27
B. Public Meetings	27
C. Cooperating Agencies and Consultation	27
D. Public Comment.....	27
VI. Alternatives Considered In Detail	28
A. All Alternatives.....	28
B. Description of Alternatives Considered in Detail	28
C. Alternatives Considered but Eliminated From Detailed Study	30
VII. Summary Comparison of Alternatives by Management Areas	31
VIII. Discussion of the Comparison of Alternatives by Major Revision Topic	32
A. Biological Diversity	32
B. Timber Suitability and Management	33
C. Recreation Opportunities	36
D. Roadless Area Allocations and Wilderness Recommendations	37
E. Special Areas	38
F. Oil and Gas Leasing	39
G. Other Revision Topics	40

IX. Comments Submitted by the Public	40
X. Identification of the Environmentally Preferred Alternative	43
XI. Findings Required by Other Laws	44
A. Clean Air Standards	44
B. Clean Water Act	44
C. National Historic Preservation Act	45
D. Endangered Species Act (ESA)	45
E. Healthy Forests Restoration Act	50
F. Other Laws and Executive Orders	50
XII. Implementation	50
A. Application to Contracts, Permits and Special Use Authorizations	51
XIII. Potential Amendments or Adjustments to the Revised Plan	52
A. Roadless Area Management	52
B. Southern Rockies Lynx Amendment	53
XIV. Appeal Opportunities	54
XV. Conclusion	55
