

# FOREST PRODUCTS REMOVAL REQUEST

## Arapaho And Roosevelt National Forests U.S. Department Of Agriculture - Forest Service

### How to Use This Form

The following form is not a valid permit! This form is for permit application only. Use the form by filling in the boxes below and returning the completed form via email to [SM.FS.arpforprod@usda.gov](mailto:SM.FS.arpforprod@usda.gov). Once our office receives your form, you will be contacted via phone by Forest Service staff to process a credit card payment for the official permit. Once payment is received, a permit will be emailed to you with a Forest Service staff signature. The permit must then be printed, signed by the permit holder, and carried – filling out the “Product Quantity Removal Record” section of the permit as you cut; should a law enforcement officer need to check your permit and load.

### Please Note

*Forest Product permit regulations and application differ from forest to forest. Below highlights important difference to take note of:*

**This Form** – Use the form below to apply for a Forest Product permit, by sending the completed form to [SM.FS.arpforprod@usda.gov](mailto:SM.FS.arpforprod@usda.gov).

**Signatures** – The permit holder will be responsible for printing and signing your final Forest Product permit, which will be emailed to you once payment is received.

**Load Tags** – The permit holder will be responsible for carrying the printed, signed copy of their permit, and filling out the “Product Quantity Removal Record” as they cut. This will be taking the place of “Load Tags” should a Law Enforcement Officer need to check the load.

**Closure Areas** – Several locations throughout the forest remain closed to all users because they are within burned areas. It is the permit holder's responsibility to observe closure area boundaries. To check closure area status please visit: <https://www.fs.usda.gov/arp>.

By signing, the permit requestor acknowledges that they have read and understand the above \_\_\_\_\_

## MUSHROOM GATHERING PERMIT

The mushroom gathering permit costs \$2 per pound with a 10 pound minimum / 20 pound maximum per person in a calendar year. Permits must be purchased in 10 pound increments. This permit is valid to collect mushrooms on National Forest System lands on the Arapaho and Roosevelt National Forests on the specific Ranger District indicated on the attached signed permit (FS2400-1). **PERMIT HOLDERS ARE RESPONSIBLE FOR IDENTIFYING THEIR LOCATION ON THE GROUND WHEN THEY ARE COLLECTING MUSHROOMS.** National Forest signs may not be posted in every location. **MUSHROOMS OBTAINED UNDER THIS PERMIT ARE FOR PERSONAL USE ONLY.**

## RULES FOR GATHERING MUSHROOMS

The following rules must be read and agreed to before a permit will be issued:

- Respect private property. The Government is not responsible for gathering on private land.
- A valid permit in your possession is required before gathering or transporting mushrooms.
- A valid permit package consists of this document and a copy of the signed permit (FS2400-1).
- Mushrooms may be collected in the equivalent of a 5-gallon bucket. Two 5-gallon buckets equal approximately 10 pounds.
- Pack out all litter.
- Mushrooms may NOT be gathered in wilderness areas, developed recreation sites including campgrounds, picnic areas, summer home groups, or trailheads.
- Vehicles will be parked so as not to obstruct or be a hazard to other vehicles.
- Do not smoke in the gathering area.
- Failure to comply with regulations may cause permit revocation and/or a fine.
- Extensions or refunds will not be granted.

**PERMIT VALID BETWEEN May 30, 2024 AND April 30, 2025**

---

**I HAVE READ THE ABOVE RULES FOR GATHERING MUSHROOMS FROM NATIONAL FOREST LAND, AND UNDERSTAND WHAT IS REQUIRED OF ME.**
