Commonly Used Acronyms	iii
Chapter 1. Introduction	1
Location	1
Role and Contributions of the Planning Area	1
Prescott National Forest Mission and Vision	4
Planning Framework	4
Needs for Change	5
1987 Plan Direction Included in the Revised Plan	7
1987 Plan Direction Not Included in the Revised Plan	7
Decisions Made in the Plan	7
Plan Organization	8
Concept Descriptions to Improve Reader Understanding in the Revised Plan	9
Chapter 2. Forestwide Desired Conditions	15
Introduction	15
Physical Resources	16
Biological Resources	24
Social and Economic Resources	45
Chapter 3. Objectives	55
Introduction	55
Vegetation	56
Recreation	60
Watersheds	64
Aquatic and Terrestrial Wildlife Habitat	66
Open Space, Land Adjustment, and Scenic Values	68
Chapter 4. Standards and Guidelines	71
Introduction	71
Physical Resources	72
Biological Resources	74
Social and Economic Resources	81
Chapter 5. Management Area Direction	97
Introduction	97
Agua Fria/Crown King Geographic Area	100
Agua Fria Management Area	102
Crown King Management Area	103
Prescott/Chino/Drake Geographic Area	105
Upper Verde Management Area	106
Williamson Valley North Management Area	108
Williamson Valley South Management Area	109
Prescott Basin Management Area	110
Verde Valley Geographic Area	112
Verde Valley Management Area	114
Chapter 6. Monitoring and Evaluation	117
Introduction	117
Monitoring Strategy	118
Chapter 7. Suitability	127
Introduction	127
Timber Suitability	128
Range Suitability	129
Recreation Suitability	133

Chapter 8. Additional Plan Direction	135
Introduction	135
Project Consistency with the Plan	135
Changes to the Plan	139
Other Sources of Direction	139
List of Preparers	142
Glossary	144
References	152
Appendix A. Maps.....	155
Appendix B. Proposed and Probable Management Practices	163
Introduction	163
Management Approaches	163
Probable Projects	166
Appendix C. Community Landscape Vision Statements	171
Introduction	171
Community Landscape Vision Statements	171
Appendix D. Index of Other Supporting Plan Documentation	181

List of Figures

Figure 1. Vicinity map of the Prescott NF	3
Figure 2. Visual example of a plan decision	9
Figure 3. Map of geographic areas and management areas on the Prescott NF	99
Figure 4. Elements of an “Adaptive” Management Cycle.....	118
Figure 5. Large area grazing exclusions	132

List of Tables

Table 1. Example of the hierarchal structure in hydrologic units	11
Table 2. Potential natural vegetation types (PNVTs) of the Prescott NF	26
Table 3. Management concerns for the PNVTs of the Prescott NF	27
Table 4. Geographic and management areas on the Prescott NF	98
Table 5. Monitoring Questions.....	121
Table 6. Timber suitability on the Prescott NF (in acres)	128
Table 7. Grazing capability on the Prescott NF (in acres)	129
Table 8. Grazing suitability on the Prescott NF (in acres)	131
Table 9. Recreation Suitability Matrix	134
