
File Code: 1950
Date: November 6, 2019

Dear Stakeholders and Interested Parties:

I have decided to extend the public scoping period for the Winter Recreation and Over Snow Vehicle Travel Management Project through **December 9, 2019**. To review the project, please go to our Forest Projects webpage: <https://go.usa.gov/xmgxT>. Scroll down and under "Under Analysis" click on "Winter Recreation and Over Snow Vehicle Travel Management". The Proposed Action and other supporting documents, as well as instructions on how to comment, are on this project webpage under the "Scoping" tab.

The Lake Tahoe Basin Management Unit (LTBMU) will be hosting two public open-house meetings where attendees can get more information on the proposed action. For requests for reasonable accommodation access to the facility or proceedings, contact Adrian Escobedo at 530-543-2758 or email adrian.escobedo@usda.gov. Opening remarks by Jeff Marsolais, Forest Supervisor, will occur at 3:00 p.m. on both days, however the format is designed that participants can come any time during the open house.

North Shore Open House
November 13, 3:00 pm – 5:00 pm
The Parasol Building, Incline Village
948 Incline Way, Incline Village, NV 89451

South Shore Open House
November 14, 3:00 pm – 5:00 pm
USDA Forest Service Supervisor's Office
35 College Drive, South Lake Tahoe, CA 96150

Sincerely,

/s/ Jeff Marsolais
JEFF MARSOLAIS
Forest Supervisor
