

# Black Hills Resilient Landscapes Project Draft Environmental Impact Statement

Proposed Action Map 6: Southern Black Hills  
September 2017

### Legend

- |   |                                  |   |   |
|---|----------------------------------|---|---|
|  | BHRL project boundary            |  | Potential commercial treatment area           |
|  | National Forest boundary         |  | Potential fuel treatment area                 |
|  | Non-NFS lands within NF boundary |  | Potential mechanical site preparation         |
|  | Low-standard road                |  | Road construction                             |
|  | Moderate-standard road           |  | Potential temporary road on existing template |
|  | High-standard road               |  | Potential temporary road                      |

1 0.5 0 1 2 Miles

The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace GIS products without notification. For more information, contact the Black Hills National Forest at (605) 673-9200.
