Tips

- Double click on the folder icon to show the files.
- Double click on the “Name” heading in the first column; use the arrow to sort the documents alphabetically (either ascending or descending).
- If you move your cursor to the fourth column (which appears empty), a prompt box with three dots will appear. Clicking on the dots will reveal the “Download” option for the document.
- There are 53 pages of documents; use the arrows in the upper right of screen to scroll through the documents.
