The Somerset Integrated Resource Project is a great idea. I support it, with the following details:

- 1. The construction of a four-season hut off the Camp Loop Trail at Grout Pond;
- 2. Improving water quality and sanitation at the Grout Pond Campground;
- 3. Construction of approximately 2.0 miles of new trail providing connectivity between the Town of Dover, Mount Snow trails, and the National Forest Trail System;
- 4. Construction of approximately 2.1 miles of trail connecting the proposed mountain bike trails off Handle Road in the Town of Dover to the Deerfield Ridge Trail;
- 5. Construction of approximately 0.4 miles of cross-country ski trail on an existing old skid trail to serve as a collector route for a proposed backcountry ski area off Deerfield Ridge;
- 6. Adding a 0.7 mile existing segment of the Catamount Trail to the National Forest Trail System;
- 7. Development of three backcountry zones in close proximity to Mount Snow off the Deerfield Ridge trail for additional backcountry skiing recreation.

Comments:

I visit VT to enjoy the outdoors by nordic and alpine skiing, hiking, mountain biking. I have skied the entire length of the Catamount Trail. I am interested in responsible, sustainable, low impact, non motorized use of the backcountry.

I'm commenting in support of:

01
52000
