Tetra Tech to return review draft by 3/15. Review draft will be titled the Draft EIS (no special note for clearance version).

Discussed needs for the public DEIS. Ken will look into document numbers needed for the public DEIS. Ken would like different cover photos from draft to final; Tetra Tech to provide some options. Tetra Tech anticipates one volume for DEIS.

For the FEIS, the ROD will be in the Federal Register and not published with the FEIS. Ken may want the executive summary in a standalone volume for the FEIS.
