Hello Terri. The date works well for Chugach. We would be happy to host the consultation in our Boardroom on the 12th Floor. Would 10 am work for the USFS?
Dave

Hi Dave:

Thank you for your request to consult regarding the roadless rulemaking process. In scheduling consultation, I am asking that one of our Regional Office staff attend to explain the process for this rulemaking including the revised limited scope. Would Friday, August 24 work for you? To date, only CIRI has requested consultation from a Southcentral Alaska Native Tribes and Corporations perspective – if they can meet on August 24th would you like to participate individually or jointly? Look forward to scheduling this consultation on August 24th (available at any time convenient for you).

Terri

Subject: Roadless Rule Consultation

Good afternoon Terri and Melinda. We received a letter from the Acting Regional Forester notifying

us the rulemaking process for the Roadless Rule would not include the Chugach National Forest, only the Tongass. This came as a bit of shock to Chugach Alaska Corporation (Chugach) and is disappointing. Chugach is requesting consultation on the issue.

If you have any questions or concerns, please let me know.

Sincerely,

David Phillips
