**Roadless Inventory Year: 1996  
Map Atlas**

The USDA Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. Using GIS products for purposes other than those for which they were intended may yield inaccurate or misleading results. The USDA Forest Service reserves the right to correct, update, modify or replace GIS products without notification.

a - Acres are GIS acres and may not equal the acreages reported in the 1997 Tongass Land Management Plan Revision Final EIS.

b - Missing data category identifies roadless areas with timber harvest or roads completed prior to January, 1996.

c - Map accuracy category identifies roadless areas overlapping timber harvest or roads due to mapping accuracy.
