Melinda,

I received your voice message.

At our last monthly meeting in September 4<sup>th</sup>, the council wanted me to pursue Tribal Consultation on this matter of Roadless.

I was in Seattle for the public meeting in Ketchikan occurred, I left some comments and questions with one of OVS officers, Nora Dewitt.

We would be interested in gaining more information and more discussion on the topic. Maps of the area around Saxman and Ketchikan. We would like to receive more information upfront. I think it would be wise to have the Tribal Relations Specialist involved also.

I will be in and out of the office today.

Thank You,

Lee
