Greetings, Stephanie! Welcome to the team ☺

Working on the AKRR Collaboration Summary as requested.

For the questions around the Government-to-Corporation Consultations with Chugach AK Corporation and Cook Inlet Regional Incorporated:

- there were quite a few participants—do you want all of those in the summary?
- In this scanned attachment, I indicated when the requested follow-up was completed and also scanned my hand-written notes
- Also realize I have a couple emails from that consultation planning and follow-up in my inbox I am not 100% positive I forwarded to Sitka for the project record. They are attached.
