

The U.S. Department of Agriculture published the Final Environmental Impact Statement for an Alaska Roadless Rule. Electronic copies of the documents, as well as other information, may be accessed on the project website at <https://www.fs.usda.gov/project/?project=54511>.

The final statement reflects public comments received and internal review.

The Secretary of Agriculture will decide and publish a final rule for the management of roadless areas on the Tongass National Forest.
