Extra care should be taken when dealing with government agencies, financial institutions and medical facilities. You'll be offered mixed messages that can lead to mistakes and setbacks if you are too quick to make a move. If you slow down and rely on facts, you'll find it easier to progress.

**TAURUS (April 20-May 20)** -- Do your due diligence before you sign up

for something that is built on dreams, not on reality. A change may be what you desire, but you must consider the cost before you begin.

**GEMINI (May 21-June 20)** -- Set a goal and don't stop until you reach your destination. Share your feelings with a loved one, and make plans that will give you something to look forward to.

**CANCER (June 21-July 22)** -- Make a move or a change for the right reasons, not because someone is pressuring

you to do so. Keep your plans secret until you are well on your way to achieving your goal.

**LEO (July 23-Aug. 22)** -- Participate in something that will expand your mind and encourage you to make physical improvements. Taking better care of your health and emotional well-being should be a priority.

**VIRGO (Aug. 23-Sept. 22)** -- Sign up for a seminar that will help you curb bad habits and promote your skills and attributes. It's up to you to make

good choices.  
**LIBRA (Sept. 23-Oct. 23)** -- Get together with people who inspire you and offer positive suggestions and feedback, while avoiding those who bring you down and complain about everything you do. Romance is highlighted.

**SCORPIO (Oct. 24-Nov. 22)** -- Business trips and meetings will play out in your favor. A proposed change will turn out to be exactly what you need to improve your life.

**SAGITTARIUS (Nov. 23-Dec. 21)** -- Know what you want, and don't settle for less. If someone interferes in your life, put a stop to it and do your own thing. Make home, family and romance priorities.

**CAPRICORN (Dec. 22-Jan. 19)** -- Keep everyone guessing. Don't feel that you must reveal your plans. Take the initiative to make improvements that promote better health, vitality and a new look, attitude or image.

**AQUARIUS (Jan. 20-Feb. 19)** -- Stick to what and who you know and the things you enjoy doing most. Your skills and abilities will give you a much-needed boost. Romance is in the stars.

**PISCES (Feb. 20-March 20)** -- Share your dreams with someone who can offer advice and support, while encouraging you to be realistic. Do your best not to overspend or expand too quickly.

**ARIES (March 21-April 19)** -- Explore new possibilities, but don't share your plans prematurely. Gather information and work out a budget. How you approach your objective will determine your success. Knowledge is power.

**Legal No. 291** Legal Notice of Opportunity to Comment On The Ten X Campground Expansion Project This legal notice initiates the comment period for the Ten X Campground Expansion Project located 5 miles south of the Grand Canyon National Park on the Tusayan Ranger District of the Kaibab National Forest (NF). Kaibab NF proposes to remodel the existing campsites and expand the current footprint of Ten X campground from 70 sites to a total of 300. The total expansion and remodel of Ten X would encompass around 345 acres total. The remodeling of existing sites would increase the ability to accommodate large RVs, while eliminating parking along the Ten X roadway. The additional 230 sites would be approximately 45% RV friendly sites and 30% individual tent sites. To ensure compliance with the Forest Plan recreation objective (LRMP, pg. 99) we would be adding 25% small group sites. Small groups sites are defined here as a site with at least one grill, two tent pads, and room for two vehicles. In order to facilitate construction of new camping loops a new asphalt roadway would be constructed as a larger loop surrounding the current footprint. The Kaibab NF would add in two egress routes in the form of administrative roads for use in case of an evacuation. The Kaibab NF proposes to develop common areas to facilitate visitor interaction by adding ramada structures with more grills, fire rings, picnic tables, and a new amphitheater for campfire talks. Additional detailed information regarding this project can be found on the Forest website project page at <https://www.fs.usda.gov/project/?project=55626> or obtained from Dutch Maatman, Recreation Specialist, Williams Ranger District, (928) 635-5600. The purpose of this comment period is to provide an opportunity for the public to provide early and meaningful input on the project prior to a decision by the Responsible Official, Debra Mollet, Williams and Tusayan District Ranger. How to Comment and Timeframe This project is subject to the notice, comment, and objection procedures of 36 CFR 218 Subparts A and B and has a designated comment period.
