Get a grip on your life and what's important to you. If you have a dream, follow your heart and find the path that will lead to happiness. If you are up-front about what you want, you won't regret it. It's time to venture in a direction that meets your expectations.

LIBRA (Sept. 23-Oct. 23) -- Say yes to fun, love, exploring new avenues and finding what you want out of life. Don't

put up with negativity or people who are holding you back.

SCORPIO (Oct. 24-Nov. 22) -- Don't share your feelings or plans. Avoid interference by carefully getting everything in place. Personal change is apparent.

SAGITTARIUS (Nov. 23-Dec. 21) -- Compassion, understanding and being part of the solution rather than the problem will help you ward off negativity and people who are trying to lead you astray.

CAPRICORN (Dec.

22-Jan. 19) -- Finesse and charm will help you get things done your way. Changing the way you treat someone will have exceptional results.

AQUARIUS (Jan. 20-Feb. 19) -- Be observant. Simplify your life and focus on following a tight budget. Set your goals and do what it takes to meet them.

PISCES (Feb. 20-March 20) -- You can be creative without overdoing it. A minimalist approach to life will help you flourish in ways you never imag-

ined. Set your priorities. Romance is heightened.

ARIES (March 21-April 19) -- Now's the time to act. Take care of your responsibilities and don't worry about what others do. Arguing won't solve anything, but it will slow you down and hold you back.

TAURUS (April 20-May 20) -- If change is what you need, be the one to make it happen. If you hesitate, someone will make choices for you that are not in your interest. Personal growth is encouraged.

GEMINI (May 21-June 20) -- You'll stand out if you step up and do what needs to be done. Be assertive and open about what you want to see happen. Be a leader and set a good example.

CANCER (June 21-July 22) -- Do something that will boost your confidence. Discuss what you want with a partner or co-worker. Keep the peace at home and work.

LEO (July 23-Aug. 22) -- Traveling, attending business meetings and exploring new possibilities will help you move forward. Digest the information you receive, make a choice and act with confidence. A chance to start anew is within reach.

VIRGO (Aug. 23-Sept. 22) -- Live within your means and stick to practical activities. If you overstep your limits, you will have to backtrack. Don't underestimate a challenger.
