Dear Mr. Albano:

I am dismissing without further review your appeal of District Ranger Jon Vanderheyden's Decision Notice and Finding of No Significant Impact for the Illabot Road Decommissioning Project. We have no record indicating that you commented or expressed interest in the project during the 30-day comment period on the Environmental Assessment, which ran from October 4, 2011 until November 3, 2011. As such, you do not have standing to appeal pursuant to 36 CFR 215.16(a)(6). Regardless, I would like you to know that on March 26, 2012, I received a letter from the District Ranger informing me that he has withdrawn the decision for the Illabot Road Decommissioning Project. Please contact the district if you would like to be involved in future planning efforts.

Sincerely,

RODNEY MACE
Acting Forest Supervisor
