

Mill Creek-Council Mountain Landscape Restoration Project
Council Ranger District
Record of Decision Errata, April 10, 2012

The following roads were listed in Appendix C, of the Record of Decision signed April 6, 2012, as open year-round. This was incorrect. These roads are converted from currently open year-round to open seasonally with the Record of Decision to provide for wildlife security. The map posted to the Payette National Forest website at <http://www.fs.fed.us/nepa/fs-usda-pop.php?project=31297> also included this error and was updated on April 9, 2012.

Road Number	Miles	
50177	1.3	
50252	1.5	
50285	1.2	(0.4 miles of this road remain open year-round)
50447	3.1	
50448	0.5	
51384	1.3	
51602	0.6	

Road 51616 located on the west side of Bench Creek was proposed to be closed seasonally in Alternative 4 and long-term closure in Alternative 5. The Record of Decision will treat this road as long-term closure.
