Subject: Coal Lease Objection
Date: Thursday, September 07, 2017 7:02:08 PM

Hello,

I would like to express my objection and serious disappointment with Federal Coal Lease Modifications COC-1362 and COC-67232. We should not be opening new swaths of land to coal leasing. We should be doing the opposite. We should be winding down any active coal mining for the sake of our children's future. Please reverse this decision and prevent making decisions in the future that destroy our protected wilderness for corporate profits.

Thank you,
Sean O'Keeffe
