Opportunity to Object to the Kenai Peninsula Invasive Plant Treatment Project

The Kenai Peninsula Invasive Plant Treatment Project Environmental Analysis (EA) was completed and mailed out on 12/4/2013 to those who previously requested to be included on the project mailing list or submitted specific written comments related to the project. The Kenai Peninsula Invasive Plant Treatment project proposes to treat up to 50 acres of non-native plant infestations annually with herbicide, on the Glacier and Seward Districts, Chugach National Forest. The Responsible Officials for this project are Tom Malecek, Seward District Ranger and Tim Charnon, Glacier District Ranger. A copy of the EA, draft Decision Notice and additional information regarding this proposed project can be obtained from:

This proposed project is subject to a pre-decisional administrative review (objection) pursuant to 36 CFR 218, Subparts A and B.

Objections will be accepted only from those who previously submitted timely, specific written comments regarding the proposed project either during scoping or other designated opportunity for public comment in accordance with 36 CFR 218.5(a). Issues raised in objections must be based on previously submitted timely, specific written comments regarding the proposed project unless based on new information arising after designated public comment opportunities.

Individual members of organizations must have submitted their own comments to be eligible to object; objections received on behalf of an organization are considered those of the organization only. If an objection is submitted on behalf of a number of individuals or organizations, each individual or organization listed must meet the eligibility requirements (36 CFR 218.5(d)). Names and addresses of objectors will become part of the public record.

Incorporation of documents by reference in an objection is permitted only as provided for at 36 CFR 218.8(b). Minimum content requirements of an objection are identified in 36 CFR 218.8(d) and include: objector’s name and address with a telephone number if available (signature or other verification of authorship must be supplied upon request); identification of the lead objector when multiple names are listed, along with verification upon request; name of project, name and title of the responsible official, national forest/ranger district of project; sufficient narrative description of those aspects of the proposed project objected to, specific issues related to the project, how environmental law, regulation, or policy would be violated, and suggested remedies which would resolve the objection; and statement demonstrating the connection between prior specific written comments on this project and the content of the objection, unless the objection issue arose after the designated opportunity for comment.

The Reviewing Officer is Terri Marceron. Send objections to:
