Dear Supervisor Lannom,

The Payette Forest Coalition (PFC) reviewed the published Proposed Action for the Middle Fork Weiser River Landscape Restoration Project at their January 27, 2015 meeting.

We express our gratitude to the Interdisciplinary Team for considering the Coalition's Recommendations Report (August 20, 2014), and incorporating the recommendations into the design of the Proposed Action.

The members look forward to the review of the Draft Environmental Impact Statement.

Sincerely,

Dennis L. Murphy
