Request USFS and DOI provide telecommunications personnel and equipment in support of FEMA response operations.

Statement of Work

As directed by and in coordination with FEMA, US Forest Service (USFS) and DOI, through the National Interagency Incident Communications Division at the National Interagency Fire Center (NIFC), will provide telecommunications equipment and personnel in support of FEMA response operations.

Utilize USFS, DOI, other Federal agency and State/local resources under existing agreement, as appropriate.

USFS will pre-position resources and/or provide assistance to FEMA.

USFS is responsible for providing personnel and/or equipment necessary to accomplish the mission.

All purchases and expenditures must be coordinated with FEMA. Prior approval, from the Federal Approving Official (FAO), is necessary to ensure reimbursement. Agencies will be reimbursed for all eligible expenses pursuant to 44 CFR 206.8, "Reimbursement of Other Federal Agencies."

Mission Assignment Task Orders (MATOs) may be issued for specific personnel, requirements, locations, dates, and duration of assignments.

The mission-assigned agency is responsible for ensuring that all activity is properly authorized, goods are received, services are provided, and that costs are reasonable and supported by documentation maintained by the respective agencies.
