Assistance Requested

Request USFS and DOI provide logistics facility assistance in support of State response operations.

Statement of Work

As requested by State/Territory/Tribe and in coordination with FEMA, US Forest Service (USFS) will provide logistical assistance to an Incident Support Base (ISB), Regional Staging Area (RSA), or other logistics facility in support of State response operations. The assistance may include set-up, receipt, staging and distribution of truck/trailer combinations.

If authorized by FEMA, USFS will establish a Base Camp to provide lodging, meals, and support for firefighting and command/control personnel and equipment. This will be provided in lieu of per diem and under a separate mission assignment.

Utilize USFS, DOI, other Federal agency and State/local resources under existing agreement, as appropriate.

USFS is responsible for providing personnel and/or equipment necessary to accomplish the mission.

All purchases and expenditures must be coordinated with FEMA. Prior approval, from the Federal Approving Official (FAO), is necessary to ensure reimbursement. Agencies will be reimbursed for all eligible expenses pursuant to 44 CFR 206.8, "Reimbursement of Other Federal Agencies."

Mission Assignment Task Orders (MATOs) may be issued for specific personnel, requirements, locations, dates, and duration of assignments.

The mission-assigned agency is responsible for ensuring that all activity is properly authorized, goods are received, services are provided, and that costs are reasonable and supported by documentation maintained by the respective agencies.
